**RE: 1997 Regular Session
Mobile and Manufactured Home related Legislation**

The 1997 Regular Session of the Louisiana Legislature enacted legislation that may reduce mobile and manufactured home insurance rates in Louisiana. The purpose of this Bulletin is to notify you that rate and rule filings brought before the Louisiana Insurance Rating Commission must include consideration of this legislation.

Therefore, each insurer filing or having on file mobile and manufactured home rates and rules, rating plans or other filings with the LIRC must document the effects of the following legislation upon the insurer's requested rates and rules:

- Act 185 (SB 190) enacts R.S. 22:1464.1 to state that any insurer in this state authorized to issue homeowner's insurance who offers a policy premium discount based on the installation of a security system in a permanently structured home shall provide the same discount for policies covering mobile homes, manufactured homes, or manufactured housing.

This Bulletin is issued under the authority of R.S. 22:1402, 1404, 1407, and 1447. If you have questions regarding this Bulletin, you can reach the LIRC staff at (504) 342-5202.
